SIGNATURE (REQUIRED)

2006-2007 Tier II Subsistence Hunting Permit Application Instructions

Use blue or black ballpoint pen only. PRINT IN CAPITAL OR BLOCK LETTERS.

1. Social Security Number (OPTIONAL)

Enter your 9-digit social security number.

2. Date of Birth (REQUIRED)

Enter your birth date. You must be at least 10 years old by starting date of hunt.

Example: April 10, 1970 Month Day Year 04 10 1970

3. Daytime Phone Number (OPTIONAL)

Enter your daytime phone number where you may be reached Monday-Friday 8:00am - 5:00pm Alaska Daylight time (ADT).

4. - 10. Personal Information (REQUIRED)

Print your first name, middle initial and last name. Be sure to include Jr., III, etc. after your last name. Use only capital letters. Remember: your physical address is required if different from your mailing address.

 Your personal information is required in order to mail application results.

11. Community of Principal Residence (REQUIRED)

Enter the community name that is the "true and permanent home from which you have no

present intention of moving and to which you intend to return whenever you are away." This is the physical address where you reside the majority of the time and does not include a recreation cabin or a part-time residence. You may claim only one location as your principal residence.

12. Residency (REQUIRED)

Enter the total years you have resided in Alaska. An Alaska resident is a person who is physically present in Alaska with the intent to remain indefinitely and make a home here, and has maintained that person's domicile (home) in Alaska for the 12 consecutive months immediately preceding this application (AS16.05.940(26)).

13. Applying for Tier II Hunt (REQUIRED)

Enter the correct hunt number for which you are applying by writing the letter of the species and the 3-digit number for the hunt. For example, if you want to apply for hunt TC566, you would complete the box like this:

If you are applying for MORE THAN one Tier II hunt for this species

Circle the number that indicates if the hunt you are applying for is your 1st, 2nd, 3rd etc, choice for that species. You may apply for multiple hunts per species, but may only receive one Tier II permit for that species. If you qualify for more than one permit per species, your hunt choice preference determines which permit you will receive.

Questions 14-18 are SCORED - If a question is left blank, you will receive the minimum score on that question.

- **14.** Total years YOU have hunted or eaten meat from this population Enter the total number of years you have hunted or eaten meat from the game population you are applying for in Question 13.
- 1.0 point is awarded for each year, for a maximum of 50 points.
- 15. Total years any one household member has hunted or eaten meat from this population. A household member is any person currently living with you in your principal home, excluding persons boarding or renting within your home or relatives living in separate homes. Enter the total number of years this household member has hunted or eaten meat from this game population you are applying for in Question 13.
- .20 points are awarded for each year, for a maximum of 10 points.

16a. Write in the appropriate box the total number of each species of big game
animals harvested for human consumption in the last 5 years by you and all
current members of your household

For example, if your household **harvested** 5 moose and 10 caribou write a 5 in the moose box, write a 10 in the caribou box. If no harvest occurred in the last 5 years for a species write **zero** in the box.

16b. Write in the total number of big game animals **harvested** for human consumption over the last 5 years by you and all current members of your household from the Tier II population you are applying for in Question 13.

For example, if your household harvested 10 caribou in the last 5 years and 5 were from the Tier II population you are applying for, write a "5" in the box. If no harvest occurred for this Tier II population, write a "0" (**zero**) in the box. **Example below:**

• Applicants can score a maximum of 20 points for questions 16a-16b.
